

Honky Tonkers Don't Cry

Dale Watson

Honky tonkers don't cry, we ain't allowed
We have to have a good time even when we feel down
And if a tear should fall, it's gonna land on a smile
Always having a ball, honky tonkers don't cry
Cryin' in a beer is commonplace around here
But when the sun goes down, nobody's wearing a frown
That's the life that we live every night
That's the way that it is, honky tonkers don't cry
Cryin' in a beer is commonplace around here
But when the sun goes down, nobody's wearing a frown
That's the life that we live every night
That's the way that it is, honky tonkers don't cry
