

Nashville Rash

Dale Watson

Help me Merle, I'm breakin' out in a Nashville rash
It's a-looking like I'm fallin' in the cracks
I'm too country now for country, just like Johnny Cash
Help me Merle, I'm breakin' out in a Nashville rash

Shoulda' known it when they closed the Opry down
Things are bound to change in that town
You can't grow when you rip the roots out of the ground
Looks like that Nashville rash is getting' 'round

Ain't it funny how things can really change
Rock and roll back in the 70's are country hits today
Breaks my heart to see my heroes fadin' away
The victims of Nashville rash, it's Nashville's ways

Help me Merle, I'm breakin' out in a Nashville rash
It's a-looking like I'm fallin' in the cracks
I'm too country now for country, just like Johnny Cash
And Buck Owens and Faron Young and Johnny Bush
Ad Johnny Paycheck and Charley Pride and Loretta Lynn, mmm

Help me Merle, I'm breakin' out in a Nashville rash
Aw good god it's gonna be the death of us
