

# Pretty Wings

Daley

Time will bring a real end of our trial  
One day there will be no remnants, no trace  
One day you won't remember me, oh

Your face will be the reason I smile  
But I will not see what I cannot have  
I hope you feel the same

Whoa, you played me dirty  
Your game was so bad  
You toyed with my affection  
Had to fill out my prescription  
Found the remedy  
I had to set you free

Away from me  
To see clearly  
The way that love can be  
When you are not with me  
I had to leave, I had to leave, I had to leave

If I can't have you  
Let love set you  
Free to fly your  
Pretty wings  
Pretty wings  
Your pretty wings  
Your  
Pretty wings  
Pretty wings around

Well, I came wrong  
You were right  
Transformed your love  
Into a lie  
Baby, believe me  
I'm sorry I told you lies

Well, I turned day  
Into night  
Slept til I died a thousand times  
I should've showed you  
Better nights, better times, better days  
And I miss you, oh

If I can't have you  
Let love set you  
Free to fly your  
Pretty wings  
Pretty wings  
Your pretty wings  
Your  
Pretty wings  
Pretty wings
