

If Tomorrow Never Comes

Damien Leith

Sometimes late at night
I lie awake and watch her sleeping
She's lost in peaceful dreams
So I turn out the lights
And lay there in the dark
And a thought crosses my mind
But I never wake her, in the mornings
Would she ever die
The way I feel about her, in my heart.

'Cause if tomorrow never comes
Will she know how much I loved her
And I try in every way
To show her everyday
She's my only one.

If my time on earth were through
She must face this world without me
Is love I gave her in the past
Gonna be enough to last
If tomorrow never comes.

Tomorrow never comes, ooh

So tell that someone that you love
Just what you're thinking of
If tomorrow never comes.
