

## Half A Song

Damon Albarn

I just love  
Its in true lies  
And all they say  
Is you coming less  
Oh can't you see?  
When the buffers come for you  
They come at me  
Well i don't seem to leave  
I look so laid  
In the sound of love  
Is a concern  
To the one on you it's so easy  
Now, on my way□
