

## Driveway Blues

Damone

I've been here all day  
And thinking about you  
And the things I need to change  
And how I'll make this last forever  
But the more I crave  
The more I screw things up  
And push you far away from me  
And I don't think it's fair  
Now I have to go  
I'm working out  
How to unchain the way I need you in my days  
So I can be without the pain  
And the more I train  
The more you're on my mind... mind

I never knew I'd feel this way  
About someone until you came  
So now I'm losing in my brain  
And the more I lose  
The more I want to die... die
