

# The Prowl

Dan Auerbach

I see you walkin' after dark  
Trading looks with other men  
But I'm the only one you need  
And I know just where you've been  
Oh can't you see the tears I cried  
And soak them up like a towel  
For now I'll be one step behind  
Oh girl you got me on the prow  
I crawl around most every night  
And I'm all wrapped up in your spell  
I wish someone could understand  
But you know I could never tell  
I'll just live on in the dark  
If there's no harm, there's no foul  
Well my love for you is strange  
Oh girl you got me on the prow
