

# On My Head

Dan Bárta

**C** **Emi** **F**  
1. Lead my heart in my own place,  
**G** **C**  
run up to the stars across the heaven.  
**Emi** **F** **G**  
Hello, you say, you will drive me lazy.  
**C** **Emi** **F**  
Meeting my heart, leaving the yard,  
**G** **C**  
Waiting for the night's birds, never say never  
**Emi** **F** **G**  
We freak, we burst, blasting from all angles..

**C** **Emi** **F**  
R: |: When I am standing on my head,  
you are crazy smiling,  
**C** **Emi** **F**  
now we don't have it, we are mad,  
**G**  
go round this speedy romancing :|

**C** **Emi** **F**  
2. You have the time to take a break,  
**C** **Emi** **F**  
get up to find your lost control  
**C** **Emi** **F**  
Someone lost your trust, your soul,  
**G** **C**  
looking for the right size and a good measure.  
**Emi** **F**  
I am a tough guy from the sky,  
**G**  
my good will drives me crazy..
