

# Honeydoo!

Dan Bern

Why do you treat me like you do, Honeydoo  
Why do you make me feel blue, Honeydoo  
I looked all over town  
You're the prettiest girl around  
So why do you treat me like you do, Honeydoo

How'm I ever gonna get through, Honeydoo  
I feel like a monkey in the zoo, Honeydoo  
On your throne sits a queen  
You're the prettiest girl I've seen  
So why do you treat me like you do, Honeydoo

Ooh, say it isn't true  
Ooh, tell me no need to cry over you, Honeydoo

Oh, why do you treat me like you do, Honeydoo  
Why do you make me feel blue, Honeydoo  
I looked all over town  
You're the prettiest girl around  
So why do you treat me like you do, Honeydoo
