

Ballad of Player 1Up

Dan Black

As I walk home, the evening, shimmers
DVDs and gameboys, in the river

Cuz I'm lapet, fated, slated, to be
Up on the screen, flashing over, game over
Up on the screen, flashing over, game over

No more lives, no more tries, player 1, you are done

As I walk home, the evening, shimmers
DVDs and gameboys, in the river

Cuz I'm lapet, fated, slated, to be
Up on the screen, flashing over, game over
Up on the screen, flashing over, game over

No more lives, no more tries, player 1, you are done
