

# Let Go

Dan Black

Giving all that love  
Got me off drugs  
Got me swigging you like whisky slugs  
When you sigh, so do I

When I'm not back home  
She's alone  
Can't seem to see why I have to roam  
If you die, so do I

Glace the earth side  
Through the dark, I  
Mantra-size your name

I let go, I forgo  
To have you for my own  
I let go, I forgo  
To have you for my own

I'm standing  
In the dust dreaming  
Headlines beaming and the pavements gleaming  
Oh, oh, oh something sighs in the sky

Glowing UFO  
Take me home  
I don't know where this is I've blown  
But when someone cries, so do I

Glace the earth side  
Through the dark, I  
Mantra-size your name

I let go, I forgo  
To have you for my own  
I let go, I forgo  
To have you for my own

Just let go  
Woah, oh, oh, oh  
Let go  
Woah, oh, oh, oh

Hey you, hey you, hey you, hey you, hey you  
Hey me  
Hey you, hey you, hey you, hey you, hey you  
Hey me  
Hey you, hey you, hey you, hey you, hey you  
Hey me  
Hey you, hey you, hey you, hey you, hey you  
Hey me
