

## Skyrim Accident Helpline

Dan Bull

Are you a Skyrim resident?  
Had an accident that wasn't you're fault?  
Then call the Skyrim Accident Helpline now

"I used to be an adventurer  
But I took an arrow to the knee"  
"I was right in a dungeon, with my companion  
When he carelessly stepped on a pressure plate  
And I was smashed in the face  
With a spiky metal grid  
I had to spend two weeks off work  
Recoverin' in the Temple of Kynareth"  
"I was in the middle of an epic battle  
With a frost dragon  
When I slipped on an icy patch it had made  
And grazed my shin"

When restoration spells just aren't enough  
Skyrim Accident Helpline can help you  
Claim the compensation you deserve  
There's no Fus  
If you don't win  
You won't pay a single Septim  
So give us a shout on
