

## Tiny Tiny Prayer

Dan Bull

Can't seem to find the words but I'll try  
I can't seem to find the words but I'll try  
The words never seem to come  
Is it me?  
Is it something that I've done?  
Is it me?  
Is it something that I've done?  
Please let me know  
Please, will you let me know?
