

Letter in a Song

Dan Hartman

I think I'll write you a letter in a song
To echo the feelings that I feel
To echo the feelings I felt somewhere along
I'll write you a letter in a song
To tell you how grand you smile
To tell you how bright your love shone on me for a while

When you let your defenses down
And you relax, you can't believe the aura that surround you
I hope you understand, your wish is my command

I'll write you a letter in a song
To tell you I still wanna be your friend
To tell you I remember summer by the sea
And if I didn't have your love at all
I'd fall into a deep despair
I was so afraid then to tell you it'd be the last love we'd share

Though we've shared many things
Like writing words about missing each other
But I guess those words were too strong for a love so new
Didn't wanna scare you
That's all I wanna say

(Ooh)
(La-la-la-la-la)
La-la-la-la-la-la-la-la-la-la

Oh, we've shared many things
Like writing words about missing each other
But I guess those words were too strong for a love so new
Didn't wanna scare you
That's all I can say

I'll write you a letter in a song
To say I felt the grandest feelings ever, but ever
I'll write you a letter in my song
