

Let me know  
Do I still got time to grow?  
Things ain't always set in stone  
That be known let me know

Seems like street lights, glowing, happen to be  
Just like moments passing in front of me  
So I hopped in the cab and I paid my fare  
See I know my destination, I'm just not there  
All the street lights, glowing, happen to be  
Just like moments passing in front of me  
So I hopped in the cab and I paid my fare  
See I know my destination, I'm just not there

In these streets  
In these streets  
I'm just not there in these streets  
I'm just not there  
Life just ain't fair

Seems like street lights, glowing, happen to be  
Just like moments passing in front of me  
So I hopped in the cab and I paid my fare  
See I know my destination, I'm just not there  
All the street lights, glowing, happen to be  
Just like moments passing in front of me  
So I hopped in the cab and I paid my fare  
See I know my destination, I'm just not there

In these streets  
In these streets  
I'm just not there in these streets  
I'm just not there  
Life just ain't fair

The good Lord gives  
The good Lord taketh away  
That's how it goes  
I don't know what else to say  
The good Lord gives  
The good Lord taketh away  
That's how it goes  
Don't go live your life in vain
