

I Have Never Wanted To Be Number One

Daniel Lione

I have always known.
Never been alone.
Always running back to you.

I am kinda proud.
Of everything I've found.
But now its time to throw it all away.

Its always happening to me.
Well I'll be damned.

I have always known.
I'd end up alone.
Never coming back to you.

I am kinda proud.
Of everything I've found.
But now its time to throw it all away.

I have never wanted to be number one.
Number two will never do.
I've sold my soul its way too late now no way no no.
Please let me go why don't you get the fuck out of my way,
I've sold my soul its way too late to let go no way no no.
