

Bad Day

Daniel Powter

D **G** **A** **G**
Where is the moment when we need it the most
D **G** **A** **G**
You kick up the leaves and the magic is lost
Hmi **B** **G**
They tell me your blue sky's faded to grey
D **Em**
The tell me your passion's gone away
A **G** **A**
And I don't need no carrying on

D
Cause you had a bad day
G
You're taking one down
Em **A**
You sing a sad song just to turn it around
D
You say you don't know
G
You tell me don't lie
Em **A**
You work at a smile and you go for a ride
Hmi
You had a bad day
B
The camera don't lie
G **D**
You're coming back down and you really don't mind
Em **A**
You had a bad day

F
Sometimes the system goes on the blink
B
And the whole thing it turns out wrong
F
You might not make it back and you know
B
That you could be well oh that strong
A
Well I'm not wrong

D **G** **A**
So where is the passion when you need it the most
G
Oh you and I
D **G** **A**
You kick up the leaves and the magic is lost
