

I Will Never Forget You

Danielle Bradbery

Sooner or later they say
That it all gets easier
Take it one tear at a time
And I'll wake up one day
To find some closure
Shining like the sunlight through the blinds

No matter how much time may pass between us
You'll never be more than a memory away

'Cause I'll never forget you
No, I'll never forget you

Whisper of the evening rain
On the bedroom window
Like the sky is missing you
The flicker of a candle flame
There's only one shadow
Oh, but I can still see two

No matter how much pain I have to go through
It's better than feeling nothing for you at all

'Cause I'll never forget you
No, I'll never forget you

When I'm sleeping
When I'm dreaming wide awake
I got the feeling
That I'll never get you out of my mind

Oh and I'll never forget you
No, I'll never forget you (never forget you)
Never forget you, oh, oh
Never forget you
