

# What Are We Doing

Danielle Bradbery

We're good, we're bad  
We cuss, we laugh  
We can, we won't  
We do, we don't  
We dance, we stop  
We're high, we drop  
We're fire, we're ice  
We're day, we're night

You call my phone and you give me the cold  
shoulder and then you won't leave me alone

So what are we doing? O-o-o-o-oh  
What are we doing? O-o-o-o-oh  
'Cause it feels like we're losing o-o-o-o-oh  
What are we doing? O-o-o-o-o-o-o-oh

I ain't been sleeping, been thinking instead  
Why I keep kicking you out of my bed?  
So what are we doing?  
What are we doing?

You kiss me, you hold me  
You tell me that you want me  
You put your arms around my waist  
and you flaunt me  
You call me "baby"  
Then we're fighting, you hate me  
And I hate you and it hurts me  
That I hate you

So what are we doing? O-o-o-o-oh  
What are we doing? O-o-o-o-oh  
'Cause it feels like we're losing o-o-o-o-oh  
What are we doing? O-o-o-o-o-o-o-oh

I ain't been sleeping, been thinking instead  
Why I keep kicking you out of my bed?  
So what are we doing?  
What are we doing?

What are we doing?  
Tell me what we're doing, ay

You call my phone and you give me the cold  
shoulder and then you won't leave me alone

So what are we doing? O-o-o-o-oh  
What are we doing? O-o-o-o-oh  
'Cause it feels like we're losing o-o-o-o-oh  
What are we doing? O-o-o-o-o-o-o-oh

I ain't been sleeping, been thinking instead  
Why I keep kicking you out of my bed?  
So what are we doing?  
What are we doing?

What are we doing, baby?  
What are we doing?
