

Bad Miss 'm'

Danielle Dax

Bad Miss "M"

I was a-gone when you came sneakin' around
In a Holocaust-haze your lunacy seems calm
Every day you're a-snitchin'
Every night I'm a-bitchin'
All that's good for a Nation
Handed out in bitter lessons - oh whoa
Oh, whoa whoa whoa!

Bad Miss 'M'
Bad Miss 'M'
Whoa whoa whoa whoa

Workin'
Workin'
Workin' the whole day through

Workin'
Workin'
Workin' the whole day through

Workin'
Workin'
Workin' the whole day through

We'll all have a party when you are gone
Desecrate your grave and sing this song
Every day you're demeaning
Every night I'm a-scheming
All that fits a sick story
Handed out with willful glory - oh whoa
Oh, whoa whoa whoa!

Bad Miss 'M'
Bad Miss 'M'
Whoa whoa whoa whoa
