

Ain't True

Danity Kane

I don't wanna hurt you
Please believe me I do
But there is no easy way to say this baby

Lately I've spending time
With this other guy (Other guy)
Though you're still the one
He's been getting all my love

Don't wanna break your heart
This is tearing me apart
(Apart), On my heart (On my heart)
(But I don't wanna hurt you)
I don't wanna hurt you
Please believe me I do
But there is no easy way to say this baby

Lately I've spending time
With this other guy (Other guy)
Though you're still the one
He's been getting all my love

Don't wanna break your heart
This is tearing me apart
Apart (Apart), On my heart (On my heart)
