Damaged

Danity Kane

Do-do you got a first aid kit handy
Do-do you know how to patch up a wound
Tell me, are you patient, understanding?
Cause I might need some time to clear the hole in my heart and I

I've tried every remedy and nothing seems to work for me

Baby, this situation's driving me crazy
And I really wanna be your lady
But the one before you left me so

Damaged, Damaged
I thought that I should let you know
That my heart is Damaged
So Damaged
And you can blame the one before

So how you gonna fix it, fix it, fix it
How you gonna fix it, fix it, fix it
Baby I gotta know
What are you gonna do

Do-do you got a first aid kit handy
Do-do you know how to patch up a wound tell me
Are you-Are you patient, understanding?
Cause I might need some time to clear the hold on my heart and I

You try to gain my trust
Talking is not enough
Actions speak louder than words
You gotta show me something
My heart is missing some pieces
I need this puzzle put together again

Damaged, Damaged
I thought that I should let you know
That my heart is Damaged
So Damaged
And you can blame the one before

So how you gonna fix it, fix it, fix it
How you gonna fix it, fix it, fix it
Baby I gotta know
What are you gonna do

Can you fix my h-e-a-r-t
Cause it's d-a-m-a-g-e-d
Can you fix my h-e-a-r-t

Tell me are you up for the challenge
Cause my heart is damaged

Damaged, Damaged
I thought that I should let you know
That my heart is Damaged
So Damaged
And you can blame the one before

So how you gonna fix it, fix it, fix it
How you gonna fix it, fix it, fix it
How you gonna fix it, fix it, fix it
How you gonna fix it, fix it, fix it

My heart is damaged, damaged, damaged
My heart is damaged, damaged, damaged
My heart is damaged, damaged, damaged
My heart is damaged, damaged, damaged
My heart is damaged
