

## Secret Place

Danity Kane

Oh, baby, you have no idea where we're about to go  
Just sit back and enjoy the show  
Are you ready?

I got a secret place and wanna take you there  
You've got an invitation, so won't you open it

I got a secret place and wanna take you there  
You've got an invitation, so won't you open it

(I can't believe) What I'm feeling for you, it's unusual

(You won't believe) How you're gonna feel when I get you alone

(I can't believe) What I'm feeling for you, it's unusual

(You won't believe) How you're gonna feel when I get you alone

I got a secret place and wanna take you there  
You've got an invitation, so won't you open it  
(Make me say yeah)

I got a secret place and wanna take you there  
You've got an invitation, so won't you open it  
(Make me say yeah, make me say yeah)

Ecstasy

Make me say yeah, yeah, yeah, yeah (Hey)
