

(I Can't Handle) Moderation

Danko Jones

When the going gets tough
It'll never be enough
Put too much in front of me
And I'll be wanting more stuff
I need a lesson in self-control
But you can make that stick
If you even try to
I really couldn't give a shit

I can't handle moderation
I can't take just one bite
I can't handle moderation
You give an inch but I'm taking a mile
I can't handle moderation
I never get satisfied
I can't handle moderation

They made me see somebody
'Cause they said I got a lot of problems
I don't think I'm too far gone
I haven't hit rock bottom
Don't just stand there say something
Like it really doesn't matter
I think something's broken
'Cause nothing's getting better

I can't handle moderation
I can't take just one bite
I can't handle moderation
You give an inch but I'm taking a mile
I can't handle moderation
I never get satisfied
I can't handle moderation

Just when I think I'm getting closer
Some thing gets in the way and I start over
And I know what I got to do
but I'm always getting screwed
If you could see what I go through you'd know
I've reached my breaking point
I'm about to snap
Don't try to calm me down
Unless you wanting a slap
I know I broke my promise
But I've paid my dues
You want me to take it slow
But I don't want to
No, I don't want to 'cause

I can't handle moderation
I can't take just one bite
I can't handle moderation
You give an inch but I'm taking a mile
I can't handle moderation
I'm never get satisfied
I can't handle moderation

I can't handle moderation
I can't handle moderation
I can't handle moderation
