My Time Is Now

Danko Jones

```
I'm gonna try, do everything I wanna do
I'm gonna do everything I always wanted to
I'm gonna live when I look my fears right in the eye
I'm gonna learn every day that I'm alive

No waiting
My time is now
Yeah
No waiting
My time is now

Yeah

I'm gonna try, do everything I wanna do
I'm gonna do everything I always wanted to
I'm gonna live when I look my fears right in the eye
I'm gonna learn every day that I'm alive

No waiting
My time is now
No waiting
My time is now

No waiting
My time is now
No waiting
My time is now

Yeah, yeah, yeah, yeah
```
