

Still in High School

Danko Jones

Here's the deal
Me and my girl gonna sit here in the backseat
Fool around all night long
Don't tell her Dad man, he's a loose nut
He'll have my dick and balls mounted on the wall

Here's the deal I'm all grown up buuuuut
I'm still in high school
You make me feel like I'm all grown up buuuuut
I'm still in high school

Me and my friends shoot the shit
Check out girls, watch their tits
I knew you'd so understand
I'm not deceiving I got nothing up my sleeve
But the truth is I'm a leg and ass man

Here's the deal I'm all grown up buuuuut
I'm still in high school
You make me feel like I'm all grown up buuuuut
I'm still in high school
I'm still in high school

Uuhhh

Me and my girl gonna sit here in the backseat
And fool around all night long

Here's the deal I'm all grown up buuuuut
I'm still in high school
You make me feel like I'm all grown up buuuuut
I'm still in high school
Here's the deal I'm all grown up buuuuut
I'm still in high school
