

# Do You Believe Me Now?

Dannii Minogue

I give you love, I give you tenderness  
And all my money and every single kiss  
I take you out, any place that you wanna go  
I'll make you scream, every time in the bed you know  
Don't see my friends, don't see my family  
Coz you're the only thing that means enough to me

How can I prove it, what more do I have to do?  
To show you how much that I love you?

Do you believe me, do you believe me now?  
Coz I try and I try to get through to you  
But I don't know how  
Do you believe me, do you believe me now?  
Coz I try and I try to get through to you  
But I don't know how

I hardly sleep every night I think of you  
I get excited thinking 'bout what we're gonna do  
It's just not helping, my friends they all protest  
I can't help it, whatever I do I'm a mess  
I see your face even when I close my eyes  
I hear your voice and the sweet sound of your sighs

Don't ever doubt it, baby I would die for you  
To prove how much I love you, I love you

Do you believe me, do you believe me now?  
Coz I try and I try to get through to you  
But I don't know how  
Do you believe me, do you believe me now?  
Coz I try and I try to get through to you  
But I don't know how

Why would I lie? (why would I lie?)  
Why would I lie to you?  
Baby, please try to believe  
Coz I don't know what else I can do  
I say the same thing everyday  
My love will never go away  
I'll be right here, I'll dry your tears  
I'll be the one (I'll be the one, I'll be the one)  
Believe me (do you believe me now?)  
Believe me, do you believe?

Do you believe me, do you believe me now?  
Do you believe me, do you believe me now?  
Do you believe  
Do you believe me, do you believe me now?  
(I don't know what else to do)  
Do you believe me, do you believe me now?  
(I don't know what else to do)  
Do you believe (do you believe, believe, believe)
