

Kiss And Make Up

Dannii Minogue

(Are you ready)
Falling in love, it was easy for me and for you oh
Somehow things got rough
Now we can't figure out what to do
I can't go on like this, our love was suppose to last forever oh
Why do we go through this
'Cause you know when it's good
There's nothing else better
(Are you ready)

Let's just kiss and make up
I don't wanna fight
Let's get together and
Make everything alright
Let's kiss and make up
I need you tonight
Let's get together, ooh let's get together

I know there's been lies
Yes we've broken our vows to be true, babe
Let's put the past behind
Don't you wanna start our love anew, oh yeah
I miss your tender lips
Just one touch gave me so much pleasure
You know your lovin' is so intense
Say that you'll leave me never
Never never never never
(Are you ready)

Let's just kiss and make up
I don't wanna fight
Let's get together and
Make everything alright
Let's kiss and make up
I need you tonight
Let's get together, ooh let's get together

I can't go on like this
Our love was supposed to last forever
Why do we go through this
'Cause you know when it's good
There's nothing else better
(Are you ready)

Let's just kiss and make up
I don't wanna fight
Let's get together and
Make everything alright
Let's kiss and make up
I need you tonight
Let's get together, ooh let's get together

Let's just kiss and make up
I don't wanna fight
Let's get together and
Make everything alright
Let's kiss and make up

I need you tonight

Let's get together, ooh let's get together

Let's just, let's just, let's kiss and make up

Let's just, let's just, let's just

Let's just, let's just, let's kiss and make up

Let's just, let's just, let's get together
