

# So Under Pressure

Dannii Minogue

I'm so under pressure (pressure, pressure, pressure, pressure)

Trippin' on intensity  
I'm weighed down by gravity  
And I'm waitin' to exhale

I'm so under pressure (pressure, pressure, pressure, pressure)

Slippin' down and back again  
When I want the pain to end  
And I'm sinkin' in quick sand

I'm so under pressure  
(yeah yeah, yeah yeah)  
I'm so under pressure

I'm gonna shout  
It's a blow out  
Again and, again and, again

I'm so under pressure  
(yeah yeah, yeah yeah)  
I'm so under pressure (yeah yeah, yeah yeah)  
(yeah yeah, yeah yeah)  
(yeah yeah, yeah yeah)  
Get A Grip  
(yeah yeah, yeah yeah)  
(yeah yeah)

Get a grip I'm almost gone  
There's just too much going on  
Feel like I can hardly breathe  
(Ah ah ah ah ah ah ah ah)

I'm so under pressure  
(yeah yeah, yeah yeah)  
I'm so under pressure (yeah yeah, yeah yeah)

And I wanna get out  
'cause it's gonna blow out  
I just wanna get out  
'cause it's gonna blow out (yeah yeah)

And I wanna get out (I'm so under pressure)  
'cause it's gonna blow out  
I Just wanna get out  
'cause it's gonna blow out

And I wanna get out (I'm so under pressure)  
'cause it's gonna blow out  
I just wanna get out (yeah yeah)  
'cause it's gonna blow out (yeah yeah)

And I wanna get out (I'm so under pressure)  
'cause it's gonna blow out  
I just wanna get out (yeah yeah)  
'cause it's gonna blow out (yeah yeah)

And I wanna get out (I'm so under pressure)  
'cause it's gonna blow out  
I just wanna get out (yeah yeah)  
'cause it's gonna blow out (yeah yeah)

And I wanna get out (I'm so under pressure)  
'cause it's gonna blow out  
I just wanna get out (yeah yeah)  
'cause it's gonna blow out (yeah yeah)

I'm so under pressure  
(yeah yeah)
