

# Vibe On

Dannii Minogue

(Oh yeah)  
Oh my God  
Look what she's got in her bag  
Does anyone know where I can get one of those?

Instead of just lying there  
Why don't you show me that you're powerful?  
I, I put in XXX batteries  
Just so you'd give me something wonderful  
Turn you on

Change you up, fast and slow  
'Till I find the frequency I like

Plug it in give me my vibe on  
Give me vibrations  
That's what gets my ride on  
Gotta have vibrations  
Jump on top it, sit right on it  
Plug in give me my vibe on  
Gotta have vibrations

I don't want to put you down  
Looks like I'm a vibraholic now  
I, I need you coming with me everywhere  
Lately I smile so much I'm getting stares

Change you up fast and slow  
'Till I find the frequency I like

Plug it in give me my vibe on  
Give me vibrations  
That's what gets my ride on  
Gotta have vibrations  
Jump on top it, sit right on it  
Plug in give me my vibe on  
Gotta have vibrations x2

(Ugh) Be like giving me vibrations  
The ultimate stimulation  
Straight out of the box  
Ugh, no hesitation  
Your speakers like a pony that I love to ride  
Making me crazy when the volume's high  
You're compact so I can take you anywhere I want  
Make my friends scream out loud  
"I want what she's got"  
Supernatural doing things that normal man can't do  
So let me take you out, and try you out, I'm in the mood

Change you up fast and slow  
'Till I find the frequency I like

Plug it in give me my vibe on  
Give me vibrations  
That's what gets my ride on  
Gotta have vibrations

Jump on top it, sit right on it  
Plug in give me my vibe on  
Gotta have vibrations

Keep on giving me, keep on giving me vibrations x4  
Plug it in give me my vibe on  
Give me vibrations
