

# Sinking

Danny Fernandes

I've been thinking  
Girl, I've been thinking  
Tired of thinking of you  
I've been tripping  
Girl, I've been drinking  
'Cause I can't get over you  
Ever since you, can't get no sleep  
Girl I'm all in, I'm falling deep  
Girl I've been sinking  
Oh, sinking

Smoke up to the ceiling  
Liquor on my breath  
Your favorite shade of lipstick  
All over my cigarettes (yeah)  
Perfume on my sheets  
Make the nights so incomplete  
I could wash it away  
But that won't make me okay

Remember those drop-top nights riding shotgun  
All eyes on you, yeah I got one  
Tell me where you been, I need a replay  
Don't hit and run, that's a cliché  
Shoulda let you leave, made a mistake  
Now everywhere I go, I see your pretty face  
Tell me what you've been on  
It's been days since you've gone

I've been thinking  
Girl, I've been thinking  
Tired of thinking of you  
I've been tripping  
Girl, I've been drinking  
'Cause I can't get over you  
Ever since you, can't get no sleep  
Girl I'm all in, I'm falling deep  
Girl I've been sinking  
Oh, sinking

Girl, I'm so impatient  
I'm out here in these streets  
Tryna find replacement  
But just no one can compete  
Tried so hard but they just can't make it  
Wanna fall in love but I just can't fake it  
All dressed up but I feel so naked  
Here without you

Remember those late-night calls on the low-low  
Saved all your texts and your photos  
Can't get high 'cause I'm so low  
Need you bad but you don't even know though  
Should I let you leave? That's a no-no  
Should've said to you please, baby don't go  
Tell me what you've been on  
It's been days since you've gone

I've been thinking  
Girl, I've been thinking  
Tired of thinking of you  
I've been tripping  
Girl, I've been drinking  
'Cause I can't get over you  
Ever since you, can't get no sleep  
Girl I'm all in, I'm falling deep  
Girl I've been sinking  
Oh, sinking

All the way down, oh baby  
All the way down  
(All the way down, yeah)  
Ever since you, can't get no sleep  
Girl I'm all in, I'm falling deep  
Girl I've been sinking  
Oh, sinking

(All the way down)  
I've been thinking  
Girl, I've been thinking  
Tired of thinking of you  
(All the way down)  
I've been tripping  
Girl, I've been drinking  
'Cause I can't get over you  
(Can't get no sleep)  
Ever since you, can't get no sleep  
Girl I'm all in, I'm falling deep  
Girl I've been sinking  
Oh, sinking

(All the way down)  
All the way down  
(All the way down)  
All the way down  
Ever since you, can't get no sleep  
Girl I'm all in, I'm falling deep  
Oh, I'm sinking  
Oh, sinking
