

Tell Your Heart to Beat Again

Danny Gokey

Broken like you've never been before
The life you knew in a thousand pieces on the floor
Words fall short in times like these
When this world drives you to your knees
You think you're never going to get back to the you you used to be.

Tell your heart to beat again
Close your eyes and breathe it in
Let the shadows fall away, step into the light of grace
Yesterdays a closing door you don't live there anymore
Say goodbye to where you've been
Tell your heart to beat again

Beginning just let that word wash over you
It's alright now, love's healing hands will pull you through
So take one step, look back up
See the rise and feel the sun
Because your stories far from over and your journey's just begun

Tell your heart to beat again
Close your eyes and breathe it in

Let the shadows fall away, step into the light of grace
Yesterdays a closing door you don't live there anymore
Say goodbye to where you've been
Tell your heart to beat again

Let every heartbreak and every scar
Be a picture to remind you, who has carried you this far
'Cause love sees farther than you ever could
This moment He is working everything out for your good

Tell your heart to beat again
Close your eyes and breathe it in
Let the shadows fall away, step into the light of grace
Yesterdays a closing door you don't live there anymore
Say goodbye to where you've been
Tell your heart to beat again
Your heart to beat again
