

Set Your Body Free

Danny Saucedo

Stan' you lady 'cause your body's so amazing
I cannot believe you acting so aggressive
What you need you can get from me
Ah Ah
Don't you know that I can set your body ... Free !
Take your time and tell me why you tryina tease me
Find your body all over me and then you leave me
What you need you can get from me
Ah Ah
Don't you know that I set your body ...

Free ! Free !
Set your body free
If you want it
Set your body free
Set your body free
If you want
All you gotta do
Is follow me
Then I can set you free
If you want it
Set your body free
Set your body free
If you want it

Baby, don't you know it your body's
Through my fingers why you acting so
What you need you can get from me
Ah Ah

Proposition is ' I'm tripping going crazy '
Girl your breath is making everything go hazy

Let me take you to the place that
You ain't never be
Where the night shines with gold and memory
Where the music's newer stops , we can run tonight
Turn the base , I'll be right up and set this float or fly
Let me take you to the place where
You ain't never be

Where I can set your body free !!!

If you want it
