

Unite This Heart

Danny Saucedo

Cross the crowded room, but no one cares to see
That you have turned to me
You're afraid of me, I can see it in your eyes
Is there a compromise?

Stop this hurting, stop this burning

Lay your love on me, won't you lay some love on me?
Why won't you lay your love on me?
Don't fall apart, unite this heart
I'm so tired of crying myself to sleep
I'm so tired of being alone
Won't you lay your love on me?
Don't fall apart, unite this heart

Would it make a change
If I walked and talked like you?
Tell me what I have to do
I'm afraid of you, you can see it in my eyes
I am telling you no lies

Stop this hurting, stop this burning
Lay your love on me, won't you lay some love on me?
Why won't you lay your love on me?
Don't fall apart, unite this heart
I'm so tired of crying myself to sleep
I'm so tired of being alone
Won't you lay your love on me?
