

# Love Will Do That

Darius Rucker

The second I saw you  
What was important  
Wasn't important no more  
Love will do that  
Love will do that

Made the old moon burn brighter  
Led to all-nighters  
Made sleeping a thing of the past  
Love will do that  
Love will do that

It changes everything  
Makes the angels sing  
Puts the past in the past  
It'll drive you crazy  
Sometimes it just makes you laugh  
Yeah, love will do that

Turns minutes to hours  
Days into years  
Gets time to moving so fast  
Love will do that

It makes you move mountains  
Or not an inch  
Life's good right where we're at  
Love will do that  
Love will do that

It changes everything  
Makes the angels sing  
Puts the past in the past  
It'll drive you crazy  
Sometimes it just makes you laugh  
Yeah, love will do that

It'll give you a sunset  
And an old rockin' chair  
A hand to hold while you're looking back  
Yeah, love will do that  
Love will do that

(2x):

It changes everything  
Makes the angels sing  
Puts the past in the past  
It'll drive you crazy  
Sometimes it just makes you laugh  
Yeah, love will do that
