

Sleeping in My Bed

Darius Rucker

Somebody's gettin' my love
Somebody's beatin' it up

Rise and shine now, baby
I got a little somethin' on my mind
I really wanna talk to you
And I hope that you will listen to me
I admit that you had me took
Had my friends, and my mama, and my sister, too
Nine times out of ten
If you did it before you're gonna do it again

So why, why, why you wanna do me wrong, wrong
Made me wanna write this song, song
Baby, I gotta move on and on and on
Baby, 'cause I, I, never wanna say goodbye, bye
Baby, I know you lie, lie
Girl, remember I tried

We went from nothin' to somethin'
We went from down to up
We went from rags to riches (Say it ain't so)
Bad times, good times
The big house and the fancy cars
Drivin' all around with big movie stars
Tell me, do you love him, baby?
Does he freak? Does he drive you crazy?

Why, why, why you wanna do me wrong, wrong
Made me wanna sing this song, song
Baby, you gotta move on, on and on
Because I, I, never wanna say goodbye, bye
Sick and tired of your lie, lie
Baby, remember I tried

I can't take it, no, no
I know something's wrong, yeah
(Somebody's sleep) Somebody's sleep in my bed, in my bed
What's going on?
You're messin' with my head again
(Somebody's sleep) Sleepin' in my bed

Somebody's gettin' my love
Somebody's beatin' it up
Say it ain't, say it ain't so
Sleepin' in my bed (Sleepin' in my bed), sleepin' in my bed (Sleepin' in my bed)
Baby, said you love me, you said there'll never be (Never be)
So we put our thing together, now we family
Sleepin' together, stayin' together, good and bad weather
Tougher than leather, we still writin' love letters
Never could I ever betray you, say you do the same
But soon as I leave town, you change the game
I can't lie, it's a crying shame
That you lie in vain in my bed with that mayne
Stuck for words, you can't even explain
How your pleasure caused me so much pain

It's your loss and my gain, 'cause I'm a player in this game
And I can't do a damn thing but maintain - bang

Why, why, why you wanna do me wrong, wrong
Made me wanna sing this song, song
Baby, you've gotta move on and on and on, and on
Because I, I, never wanna say goodbye, bye
Oh, I know you lie, lie
Baby, I know you tried, you tried
Oh, why, why, why you wanna do me wrong, wrong
Made me wanna sing this song, song
Baby, you've gotta move on and on and on, and on
Because I, I, never wanna say goodbye, bye
Sick and tired of your Oh, I know you lie, lie
Baby, I know you tried, you tried

Somebody's sleepin' (Somebody's beatin' it up)
In my bed, in my bed
Somebody's gettin' my love
Somebody's beatin' it up
Somebody's gettin' my love, somebody's beatin' it up
Somebody's gettin' my love
Somebody's beatin' it up
Somebody's gettin' my love, somebody's beatin' it up
Somebody's beatin' it up
