When Angels Forever Die

Dark Funeral

Lighting storms
Descend across the sky
Arrival of the horned
The coming of our lord
Lucifer
Thy legions are set free
Demon hordes
Awaiting his return

Dark age
Kingdoms lost in shadows
Fallen empires
Cursed by unholy lord
Bominions
Buried into ashes
Ancient realms forlorn
Into eternal darkness

Damned domains in darkness Eclipse of land forlorn Ruins of a kingdom gone Once ruled by god

When angels forever die When satan has arrived When satan rules the world for eternity

Storms of damnation Caress the mourning sky Demon hordes from realms below Show the mighty force of hell
