

Imperishable Soulless Gown

Darkened Nocturn Slaughtercult

Abrade and flay the Word Incarnate,
Sanctify the means the portal is ajar,
detest sanctimony and congregate,
to ambulate amidst the binary star.

The yonder beckons within reach,
traverse the bourne extricated soullessly,
for dissipation in the flesh beseech,
converse the secondary matter irrevocably.

From the Kingdom
the Moon and Sun eclipse,
transgression of the veiled bride,
from the Crown the most hidden
to knowledge drips,
concealed, revealed, whatever betide.

Beyond Words and sight, as one unified,
the hidden jewel of the crown,
without visions and thoughts
the self mortified,
to extend
the imperishable soulless gown.
