

Unearthing Cosmic Decay

Darkened Nocturn Slaughtercult

Unearthing Cosmic Decay

Break the blazing hands of time,
thus letting all life dwell within its despicable misery.

Unearth the course of cosmic decay!

Lead the ancient vile malice into mankinds congested
veins.

Unearth the course of cosmic decay!

When beast and bird in splendour rejoice,
the equilibrium of life and death is reached...

Scared scale judicious slave - enfettered once within
Chrono's halls,
The grand cleansing now unleash!

Cometh forth through pallor of broken mist - conquering.
Be the force which outweighs this despicable misery.

The grand cleansing now unleash! Unearthing Cosmic Decay
