

# Love On The Rocks With No Ice

The Darkness

**E A**

You can't abide my showing fatigue

**E A**

When you come home just to relay

All the events that made your heart bleed

And the ones that ruined your day

**D Dsus2**

We're not as close

**E**

As everybody thinks

**D Dsus2**

In the eye of the storm

**A D E**

We keep each other warm

**D A**

Love on the rocks

**E D**

You'd do anything for a quiet life

Love on the rocks

Love on the rocks with no ice

Love on the rocks

You'd do anything for a quiet life

Love on the rocks

Love on the rocks with no ice

So many issues we should address

'Cause our lives just don't correlate

All the emotions that we suppress

Bite our tongues until it's too late

We're not as close

As we used to be - you and me

In the eye of the storm

We keep each other warm

Love on the rocks

You'd do anything for a quiet life

Love on the rocks

Love on the rocks with no ice

Love on the rocks

You'd do anything for a quiet life

Love on the rocks

Love on the rocks with no ice

Love on the rocks

You'd do anything for a quiet life

Love on the rocks

Love on the rocks with no ice

Love on the rocks

You'd do anything for a quiet life

Love on the rocks

Love on the rocks with no ice

Love on the rocks with no ice
