

A world of ideas colliding in history  
falsehood stabilizes a new believe  
encouraged by a poor spirited gentry  
a hunger for power providing relieve

The conspiracy, clandestine  
the beauty is gone, the beauty is gone  
usually claiming, by being divine,  
no deeds undone

An instrument created by greed  
an arch-shavelings condemnable forgery  
worshipped, believed, not even keyed  
for history still it remains drossy

A whole millennium based on clerical lie  
acquired rights and plundered wealth  
mankind in deadlock, nothing to rely  
power locked away in religious stealth

the conspiracy, clandestine, the beauty is gone, the beauty is  
gone  
usually claiming by being divine, no deeds undone

titanic realm, based on a lie, truth is away, truth is away  
mankind had to comply, facts astray
