

The time has come, to design
Believe and science in one shrine

Forming the clay in a proper way
an artificial creature will defray

Heretic wight, now it's awoken
What we are, that is the token
Devotional pact now it's broken
Supreme the nous, the remedy

Gearwheels or a magic spell
Thriving divine creation to the knell

Heretic wight, now it's awoken
What we are, that is the token
Devotional pact now it's broken
Supreme the nous, the remedy

Forming the clay in a proper way
an artificial creature will defray

Heretic wight, now it's awoken
What we are, that is the token
Devotional pact now it's broken
Supreme the nous, the remedy
