The Flow

Rock your body Feel the flow Mind machine is flashing The green light to go Beat box drummer And a microphone That's all we need to Make the show flow, So Rock your body Feel the flow Mind machine is flashing The green light to go Beat box drummer And a microphone That's all we need to Make the show flow, So Rock your body Feel the flow Mind machine is flashing The green light to go Beat box drummer And a microphone That's all we need to Make the show flow, So Rock your body Feel the flow Mind machine is flashing The green light to go Beat box drummer And a microphone That's all we need to Make the show flow, So That's all we need to Make the show flow Beat box drummer And a microphone That's all we need to Make the show flow, So Rock your body Feel the flow Mind machine is flashing The green light to go Beat box drummer And a microphone That's all we need to Make the show flow, So Rock your body Feel the flow Mind machine is flashing

The green light to go

Darude

Beat box drummer And a microphone That's all we need to Make the show flow, So Rock your body

Feel the flow Mind machine is flashing The green light to go Beat box drummer And a microphone That's all we need to Make the show flow, So

Rock your body Feel the flow Mind machine is flashing The green light to go Beat box drummer And a microphone That's all we need to Make the show flow, So

Green light to go Green light to go Green light to go

That's all we need to Make the show flow
