

# Foolish Pride

Daryl Hall

When I'm hurt then I come on strong  
I wanna break down  
But I just keep it in  
Being too strong is the weakness, girl  
'Cause when you fight the world  
You know who's gonna win

And you say I won't look you in the eye  
It's like talking to the wall  
But a wall can crumble down  
Yeah, there's something that's deep inside  
That's gotta be tough  
Whenever you're around

And I've got this foolish pride  
And pride goes before a fall  
Yeah, I've got this foolish pride

Foolish pride  
Fool, fool, foolish, foolish pride

You make me feel like the livin' end  
But the end came quick  
And made me wanna die  
So I played like I didn't care  
I didn't mess my hair  
Believe me, I don't know why

But I've got this foolish pride  
And pride goes before a fall  
But I've got this foolish pride

Foolish pride  
Fool, fool foolish, foolish pride

If I wanted I could have fooled 'em all  
That's great 'til tomorrow when I'm all alone  
You know the truth comes out in the end  
When the fools start falling they need their friends

Fool, foolish, foolish pride  
Fool, foolish pride  
Fool, foolish, foolish pride  
Fool, foolish pride  
Fool, foolish, foolish pride  
Fool, foolish pride
