

# Forever For You

Daryl Hall

Does anyone know what love can cost?  
To take you so high then leave you lost.  
Is it a mystery that runs too deep for such a simple heart?  
Can anyone stop the hands of time?  
And put back the loving in your eyes?  
Though it's his name I hear when you are sleeping, I'll pretend  
it's mine.

When they ask me how long I'm gonna love you  
If the road to my heart will always stay true,  
I'll say forever, I'll say forever for you  
When they ask will I stand right there beside you  
And they don't see you and me the way that I do,  
I'll say forever, I'll say forever for you  
(Do I? Forever. Do I love you? Do I? Forever)

A rose is a rose by any name  
But a thorn will still cut you just the same  
I'm losing your love I know - so sad the feeling,  
I can tell somebody's stealing, stealing away your heart.

When they ask me how long I'm gonna love you  
If the road to my heart will always stay true,  
I'll say forever, I'll say forever for you  
When they ask will I stand right there beside you  
And they don't see you and me the way that I do,  
I'll say forever, I'll say forever for you

I don't know if I should tell you  
How you live in my heart, there's no room for another  
If you leave me now, my heart would not recover...  
Do I? Forever. Do I love you? Do I? Forever... forever for you  
(repeat Chorus)
