

What About Now

Daughtry

Ami

Shadows fill an empty heart,

Emi

as love is fading.

Ami

For all the things that we are,

Emi

Or not saying.

Ami

Can we see beyond the scars?

Emi

And make it to the dawn.

Ami

Change the colours of the sky,

Emi

and open up too,

Ami

The ways you make me feel alive,

Emi

The ways I loved you,

Ami

For all the things that never die,

G

To make it through the night.

D

Love will find you!

C

What about now?

Ami

What about today?

D

What if you're making me,

G

All that I was meant to be?

Ami

C

What if our love, never went away?

Ami

What if it's lost behind?

G

Words we could never find?

G

Baby before it's too late!

What about now?

Ami

The sun is breaking in your eyes,

Emi

To start a new day...

Ami

This broken heart can still survive,

Emi

With a touch of your grace...

Ami

The shadows fade into the light,

G

When I am by your side,
D
When love will find you...

C
What about now?

What about today?

A
Now that we're here,

E
Now that we've come this far.

E
Just hold on!

D
There is nothing to fear!

C9
For I am right beside you,

Ami
for all my life I am yours.
