

(I Guess That's What I Get) for Loving You

Dave Barnes

Every kiss is catching fire
Every heartbeat's breaking the skin
'Tis like a storm brewed on sunk treasure
That just grows with the more I spin

Ooh it goes on like this forever
It don't matter what I do
Well I guess that's what I get
For loving you
Loving you, loving you

Lately I ain't been overthinking
Ain't got a worry on my mind
It's like I traded in my troubles
All of my hurt got left behind

Ooh it goes on like this forever
Dealt a hand I just can't lose
I guess that's what I get
For loving you babe

I can't get you off my mind
I can't get you baby
Ooh baby I can't get you off my mind
I can't get you baby
Ooh baby I can't get you off my mind

Well I'm kinda stuck in heaven
Where all of my luck never ever runs out
There's nothing else I'm wanting
Everything else I can live without

Ooh it goes on like this forever
Every wish I made came true
I guess that's what I get
For loving

(Just what I get for loving...) Loving you, loving you
(It's just what I get for loving...) Loving you, loving you
(It's just what I get for loving...) Loving you, loving you
(It's just what I get...)
