

(Who Knew It Would Be so Hard) to Be Myself

Dave Barnes

There's just too many heartbeats now
To think of all the things that I've been thinking, ooh
It's just too many midnight now to wake up worrying
Like I've been lately, ooh

The thing that worked before
Ain't working anymore

Who knew it would be so hard
Just to be myself
Who knew it would be so hard
Just to be myself
Ooh just to be myself

It seems to me that dreams I tend to dream
All happen in slow motion
Kinda feels like everything I pray
Heaven thinks I'm joking, ooh

It's hard to stay the same
When the things you want won't change

Who knew it would be so hard
Just to be myself
Who knew it would be so hard
Just to be myself
Ooh just to be myself

Who knew it would be so hard
Just to be myself
Who knew it would be so hard
Just to be myself
Ooh just to be myself
