

## Arms Of A Satisfied Woman

Dave Dudley

Arms that are thrilling reach out for me eager and easy to know  
Arms that could hold me and tell me a lie warm arms that love t  
hen let go  
Tempting inviting they're backin' and try to make me forget my  
someone  
But arms that betray can't tarry away from the arms of a satisf  
ied woman  
My woman is satisfied with me in our love she takes so much pri  
de  
I love her that way and I'll never stray as long as she's satis  
fied  
Arms cold and tickled could never hold me so I turn away and I  
run  
To where I belong I'm so glad I have known the arms of a satisf  
ied woman  
The arms of a satisfied woman
