Got my heart patched up my goodnight sleep and my dancin' slipp ers on

I'm diggin' up where I left off when lovin' you went wrong You'll notice I'm all smiles again and out of hibernation Gonna hit those moonlit lanes again I'm back in circulation Don't play the blues for me I want the sunny side of life Tell all the gang to meet me here we're gonna swing the night Hunt for everything that's wet and start the celebration Gonna have myself a ball tonight I'm back in circulation

Put my cryin' towel away sunshine just peeped through the cloud s

Gettin' out my little black book checkin' upon my ole crowd Tell Mr Moon to shine tonight and make this observation I just bounced back from being hurt and I'm back in circulation Don't play the blues for me...
